Dear Ms. Maxwell:

On Friday, April 17, 2020, the Carrier made changes to regular assignments on the Northeastern Seniority District at Butler, Wisconsin, Janesville, Wisconsin and Proviso, Illinois.

NZ021	LT20 TL02 CON
HV089	AT20 PS15 CON
EC096	AT22 PA70 CON
NZ021	LE22 EL01 CON

On Friday, April 17, 2020, at 4:42 PM, this office sent you an email and requested that the Carrier immediately cancel the bulletins. Each bulletin for the above assignments state as Job Description as a Local assignment. C&NW Road Rule 41 calls for either a way freight or through freight assignment.

On Monday, April 20, 2020, this Office and you had a conversation concerning the Carrier bulleting assignments as a Local assignment without rule support. During that conversation I again requested that bulletin be canceled and properly bulletined as a way freight or through freight assignment.

As of today the bulletins have not been canceled. The bulletins need to be canceled immediately and re-bulletined on the date the assignments actually change.

Please notify this office when the bulletins are cancelled and please supply this office with the proper bulletins.

Sincerely,

Jerry L. Kalbfell
General Chairman, G.C.A.
